Santa Barbara City College

**Graphic Design and
Photography: Graphic Design
Concentration**

2017-18

**Associate in Arts Degree in Graphic Design &
Photography: Graphic Design Concentration**

The Graphic Design and Photography Department offers two two-year Associate in Arts Degrees and a one-year Certificate of Completion. The Associate in Arts Degree prepares a student for transfer to some four year institutions such as: Cal Poly, San Luis Obispo; California State University, Long Beach; California State University, San José; California State University, Los Angeles.

With strong foundation courses in drawing, design and typography the graphic design student develops the ability to solve design problems using various software packages. The understanding of production and prepress processes are a central part of the concentration as well as the introduction of Web design.

Careers in Graphic Design

The demand for skilled and talented graphics personnel continues to grow throughout the nation. Two-year recipients are avidly sought and well compensated for their expertise.

Some careers requiring Graphic Design skills are entry level designer, production artist, web page designer, graphic artist, pre-press and production specialist.
